Spring 2018

April 30, 2018

Kyle Dipre, our seminary intern, finished his time with us on Sunday, April 29th. That Sunday he blessed us with a closing sermon and we celebrated him with a special coffee hour. I hope you joined us that day. If not, please lift up a prayer of thanksgiving for Kyle's time with our church.

Kyle came to us around two years ago and started worshipping and responding to requests for volunteers. In September he and I began our intern-supervisor relationship as he worked on finishing his final year of seminary. This summer Kyle will begin taking classes towards a law degree at the University of Akron in his home state of Ohio.

It goes without saying that Kyle has been a great resource for our church. It seems every couple of weeks someone around church "could use a few guys" to come and help move something, or set something up, or break something down. Often Kyle volunteered to be one of those "guys" by coming early or staying late to different events. Kyle was a resource for us as a spiritual leader. He helped to lead us in worship. He preached twice and led a *Children in Worship* story during one of our breakfast worship gatherings. He led us in our congregational prayers. He helped me lead the communion liturgy. He led the Children's Sermon several times. He came with me on pastoral care visits. He led the Wednesday Bible study. Kyle blessed us with an inspiring two-part presentation on forgiveness and the Book of Jonah. Kyle was a resource in discernment. He came to team meetings, Blawenburg Village School board meetings, and consistory meetings; he went mostly to observe, but from time to time, he contributed his opinion and ideas. Kyle did all this and more....

Kyle was a resource to me as a conversation and prayer partner. We met weekly during his internship in the front lobby of Princeton Seminary's library. Sitting by the bay windows over cups of freshly brewed coffee, I found our meetings to be inspiring, helpful, and full of humor. He has a shrewd mind that is always ready to probe, question, and consider. Kyle was more than willing to think and talk through many aspects of our church life and my style of pastoral leadership. In the Bible, the Book of Proverbs says, "As iron sharpens iron, so one person sharpens another." Through our weekly meetings Kyle helped keep me sharp. He also prayed for me. We ended our meetings by sharing what we could use lifted up in prayer that week and saying prayers for one another.

Through it all, God was working. God was working to make Kyle a blessing to us and our church community and God was working to bless Kyle. I want to say thank you to everyone for being willing to share in the responsibility to receive Kyle. I want to thank you for the ways that you offered him opportunities to explore his gifts and his calling. Thank you for giving Kyle opportunities to learn about and grow in his faith and his relationship with God.

Relationships are at the core of God's mission and God has blessed us with the opportunity to develop relationships with Kyle. For that I am grateful. The consistory has prepared a modest thank you gift, which I will be giving to Kyle before he departs for his law classes in Ohio. If you haven't had a chance to say "thank you" to Kyle personally, reach out and find a way to let him know that you are praying for him as he begins the next chapter of his life's journey.

BRC Mission Statement

The Blawenburg Reformed Church is a covenant community of God's people united in Christ through the Holy Spirit. We commit our gifts to worship, hospitality, life-long learning, serving those in need, and proclaiming the good news of salvation in Jesus Christ.

Memorial Hall SOLD!

On April 10th, Pastor Jeff and Eric Perkins attended the closing of the sale of Memorial Hall, #416 Route 518, to Homestead Princeton, formerly The Farmhouse Store, owned by Ron and Kristin Menapace. Ron and Kristin began renting the warehouse space in Memorial Hall from us last year. They were great tenants and have an appreciation for things old and historical and have a vision for creative re-uses of the old school-house space. If you haven't seen their store yet, they have had a popular and unique gift and furnishings store at the foot of Palmer Square in

Princeton for more than five years. They are neighbors of BRC and have had multiple children attend our BVS Pre-school. Make a point of introducing yourself and saying 'Hi!' if you see them next door. We couldn't be happier to be able to pass the mantle of ownership on to such caring people.

A word of thanks to Allison Clancy for all her help with our rentals and for advice in the sale. Thanks to Eric Perkins as our lawyer in preparing the sale documents and for all his time and experience following through with the sale and closing. And thanks to Don and Ethel Terhune for their loving care of that property from Day One as well as to all the families who contributed money in memory of loved ones in order for our church to try to extend our ministry presence in that space. And finally, thanks to the Terhune extended family and to Jean and Jim Beachell, Barb Reid, the Boy Scouts and all the folks who worked so hard moving all of our furniture and belongings out of the building the week before the Rummage Sale. That was a momentous job by itself, much less on top of having to set up for the Rummage Sale! THANK YOU!

Property Thanks and Needs

Thank you to all who responded to the call and helped after church on April 29th to move, store, and dispose of those heavy furniture items from the Rummage Sale and helped rake and pick up sticks and debris to ready the lawns for mowing—a lot of heavy labor. We need all of the black rails on Cook Hall to be painted. Prep work must be done first. A donation of a wooden wheelbarrow or cart is needed to be kept at the church for continued use. We are humbly grateful—from the bottom of our hearts—for all who helped. Please call Ethel at 609-922-4118 if you can help with continuing work.

Holy Week 2018

Ash Wednesday at United Reformed, Somerville

Maundy Thursday Worship Service

Floor lamps, candles, and spotlights provided the perfect atmosphere for a Last Supper celebration. There was a 13-candle center piece—12 for the Disciples and the 13th for our Servant King. Kyle, our student intern, opened the service, and Pastor Jeff preached and led communion. He and Barb A. provided music, and the choir sang the closing benediction. The evening ended with a tasty soup and salad dinner.

New Worship Time – 9 AM!

So far, so good! But last month's request bears repeating: In order to allow time for Pastor Jeff to enjoy fellowship with us briefly after church and still be able to get to Griggstown in a timely manner, the Worship Team asks for your cooperation. Announcements that are printed in the bulletin will not be repeated during Welcome and Announcement time in church unless they need particular and timely reinforcement, so please pay attention to those printed as well as those in your e-news on Fridays. Make sure to get all your announcements for Friday and Sunday into the office by Thursday morning at 9am. If the need for an unanticipated announcement arises, email the information to Jeff or request ahead to be called on on Sunday for a special announcement. Use our Fellowship time to catch up with people and to ask any questions about announcements or prayer concerns.

The next area where we can help the service proceed in a timely fashion involves our Passing of the Peace. We ask that you limit your exchanges, both in length and in area to those close to your pew and then return quickly to your pew, being respectful of Jeff's call for the children's message.

Nursery Caregiver

We are looking for a regular Sunday Nursery caregiver to provide care during our worship services and occasional adult Sunday School programs. If you know of someone who might be interested, please contact Gracie Johnson [609-468-9475 or gtuck-erbj@gmail.com]. This is a paid position. The ideal candidate would be a high school student or young adult with Red Cross babysitting certification, but we would be happy to talk with anyone, of any age, interested. Until we are able to find a candidate, if you would be willing to volunteer occasionally [maybe once every six weeks?], please let Gracie know.

Mary and Martha Book Group

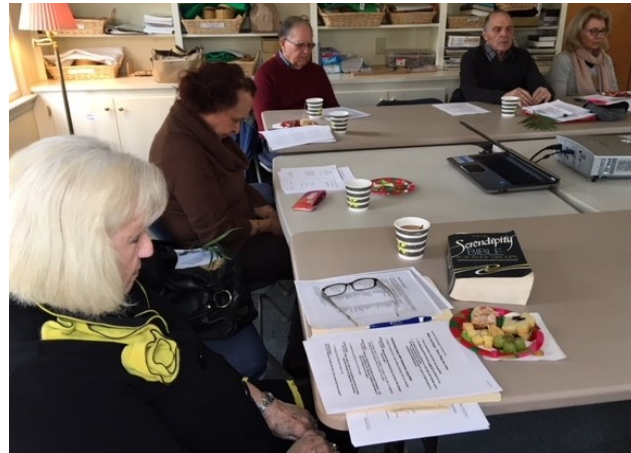

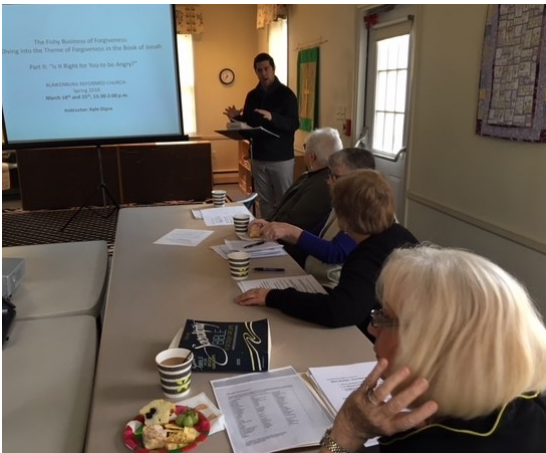

The group decided to read Self-Love by Robert Schuller. You may purchase it yourself on Amazon for under \$2.00, or you may contact Gracie to put your name on the bulk order list. The next dinner/discussion time is Thursday, May 24th. The title of the book for the June 28th gathering is Have a Little Faith by Mitch Albom. It is under \$10.00 at Amazon. We will meet, as usual, at Bernice's at 6:15.

Christian Education for the Fall

The Education Team is meeting tonight, April 30th, to brainstorm a program for a multi age group of young people. We look forward to meeting the needs of our current families as well as attracting new families in our area. Please share any ideas you may have with Pastor Jeff.

Forgiveness in the Book of Jonah

Our student intern, Kyle Dipre, gave a thoughtful, two-part presentation on the theme of forgiveness in the Book of Jonah. The dozen or more participants tackled the challenging questions and began to discover whether grace, hope, and redemption can flourish in the presence of our enemies. They also enjoyed fellowship and lunch together in the two and a half hour sessions.

Spring is a busy time of year at BVS:

BVS students have enjoyed a weekly art class the last couple of months. They spent their time exploring various art media while creating components for a large mural. The mural will be on display in the Children's Department of the Princeton Library from April 30 - May 11th.

Mother's Day is quickly approaching and we've been busy learning songs and making gifts. We're excited to have our Moms join us on May 11th for Muffins with Mom.

Garden Week is also coming in May, as a culminating activity to the study of plants. Keep an eye out for some beautiful flowers on the playground! We will also be participating in a Trike-a-thon for St. Jude's Children's Hospital which is definitely one of the best days in preschool. Some of our students are also participating in a weekly Soccer Shots class. These classes will continue on Monday afternoons through June.

Our last Kids' Night Out of the school year will be held on Friday, May 18th, 5:30-8:30.

BVS is currently enrolling for the 2018-2019 school year and summer camp.

RCA GLOBAL MISSION DEAR FRIENDS UPDATE

from Lois Wanyoike in South Africa

March 2018

Dear Friends,

There are very few people who have the level of energy, passion, faith and skill that Kaybe, Executive Director at SFCS, has! She is a wife, a mother of three, a daughter, a sister, a niece, an aunt to many and yet, she never lacks the time or energy to lead and manage our efforts of finding loving families for children in Botshabelo. She dreams of a day when no child in Botshabelo will be without a family. Kaybe shares her journey and dream for her community in the letter below. Be blessed, Lois.

Kaybe

Kaybe with her family

For almost a decade, I managed different community development initiatives in the Free State province of South Africa. Each day, the pain of a community that I loved and was proud to be a part of, increasingly stared at my face while in the line of duty. Within those early years as a social worker, I had my first child - this made me see the children and families in Botshabelo in a different light. Almost 40% of my home town's 200,000 population are children aged under 18 years. More than ever before, I saw and felt the pain of mothers and fathers unable to provide for their families as unemployment rates rose to a current rate of 70%. I noticed how grandparents, were aging and tired yet burdened with the responsibility of raising their grandchildren. Increasingly, there were daily reports of children abandoned, neglected or abused in my community. Teenage pregnancy and crime rates were on the increase. More and more children were separated from their parents because of HIV related deaths, crime or job opportunities in other parts of the country. As a government worker, I saw firsthand the social department's struggle in coping with the increasing needs of orphaned and vulnerable children. Institutional care increasingly became an option for these children as the community felt disempowered to care for them. Unfortunately, there are no brothers, sisters, moms and dads, aunties and uncles for children placed in institutional care. These children have no sense of belonging and much as they may have a roof over their head and a meal to share, they crave the undivided attention every child deserves to receive from a parent and a sense of belonging that a family provides. I knew my community needed help and that help would not be from a government that was already under resourced with social workers battling to manage heavy workload.

SFCS has become that answer to prayer for children, families and the community in Botshabelo. What a joy I get to be part of a team that's restoring hope in my beloved home town! SFCS' mission is to see every child in Botshabelo thrive in a family because children thrive best in families and not in institutions. To date, we have placed a total of 74 children with local adoptive families in South Africa. In 2017, 47 children were reunited with their families and over 300 at-risk families strengthened to prevent family separation. Our foster care program has become a model for other sections in Botshabelo in managing caseloads effectively. The local church continues to be one of our key and instrumental partners and more churches have stepped forward to become part of the solution. Majority of the local adoptive and foster care parents have been recruited through the local church events. We held a wonderful 3-day marriage conference in the last quarter of 2017 with over 100 pastors and their spouses. Our hope is to see the church equipped to support and strengthen families of their members so that children in Botshabelo have healthy thriving families to grow in. Partnerships with other community stakeholders have strengthened our efforts to create a responsive community that protects and cares for its children.

Continued on next page.

MISSIONS—Continued

SFCS would never have achieved so much in such a short period without the support of our friends, donors and prayer warriors! On behalf of SFCS staff, board members and the community in Botshabelo, thank you for believing in us and trusting us with your resources. Thank you for making that prayer you when you knew not the best response to a need so huge. Thank you for your friendship and for walking this journey with us. A lot more still needs to happen, and your continued support will go a long way in helping us create, unite and strengthen more families in 2018 and beyond. With God, nothing is impossible – absolutely nothing. We are committed to a South Africa where every child belongs in a family and with your support, we can get there sooner. God bless you all!

Yours in service,

Keabetsoe Sekoboto
Executive Director, SFCS

SHIP Lunch - Tuesday May, 29th

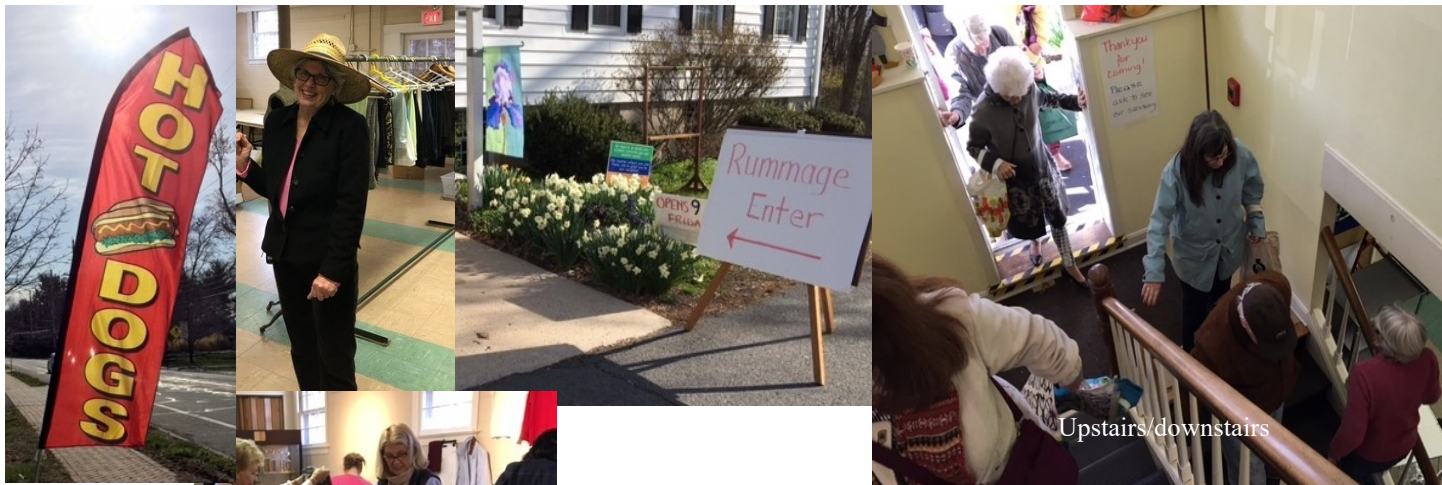

We have another opportunity to feed those in need of a meal on Tuesday, May 29th. Jeff and Jamie Knol will be organizing food donations and volunteers for this event. We are planning to have our regular menu of sloppy-joes, salad, pasta salad, desserts, and various other items - so there will be plenty of opportunity to contribute. We will also need around 10 volunteers to serve that morning from 10:30am through 2:00pm. Keep your eyes peeled for a signup poster in Fellowship Hall in May.

We commit our gifts to **PROCLAMATION** spreading the good news of salvation in Jesus Christ.

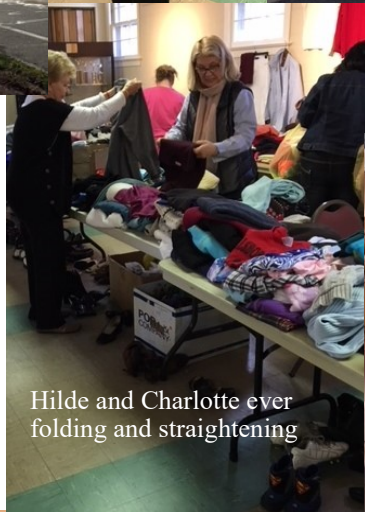

RUMMAGE SALE 2018 WAS A HUGE SUCCESS!

After some very worrisome torrential rain on Monday, the weather finally cooperated, and once again our rummage sale was a major success! We would like to thank everyone who helped to make it so. All of you who put up tents, contributed, unloaded, unpacked, organized, priced, grilled, packed, sold, and parked were AWESOME! The daunting job of emptying Memorial Hall was added to our already long list of tasks this year; it was done successfully, and for the most part, with good humor! The total income, (and it was all profit) came to \$8500.00. The mission's portion of the proceeds (20% or \$1700.00) will go to Crawford House and their endeavor to curtail substance abuse. The remaining amount will be used to make needed improvements to our properties, further enabling us to carry out God's mission through our church.

With grateful hearts and much love, *Jean, Ethel, and Barb R.*

BLAWENBURG CHURCH'S *BLUE POMEGRANATE*

On April 12th, the Indie rock group, The B Zero B Project, provided the musical entertainment for the evening. The three-member group played a unique blend of their own original music. The energetic drummer even had an original drum, a Timberland shoebox! Now that's creativity! Also, local artists were featured to show and promote their work, which included paintings, drawings, sculpture, photography, and original cards. It was also a night of reconnections and renewing friendships. Allison Tufano Clancy and painter Kathleen Hurley Liao were high school friends and Dr. Cochran was their vice principal. Allison and artist Craig Shofed were members of our church's youth group . . . way back when! It was a fun night of music, art, and reconnections.

BLUE POMEGRANATE

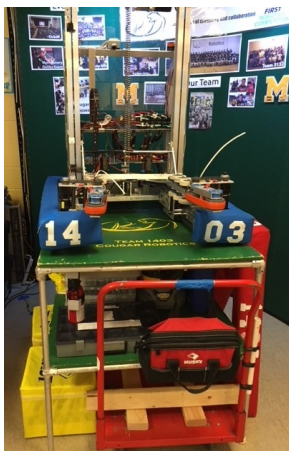

SECOND SHOW OF THE SEASON – MAY 17

If you like jazz, you won't want to miss Blue Pomegranate this month! *Andrew Wynn and Friends* will be providing the musical entertainment. This five member group performs jazz and bossa nova ballads from The Great American Songbook, including music written by great composers such as Cole Porter, Rogers and Hammerstein, and Irving Berlin, and made famous by performers such as Frank Sinatra, Ella Fitzgerald, and Louis Armstrong. Featured local artists Monica Weinschenk and Lucia Stout will exhibit their paintings. In addition, the artists of the non-profit Prindiville Moher Gallery (New Jersey), whose goal is to enrich the careers of emerging artists, will show their work.

Doors open at 7:00pm in Cook Hall on May 17. Light refreshments will be served. Admission is free, but donations are encouraged to support the musicians. Contributions of baked goods, such as cookies or brownies would be much appreciated. They can be dropped off in the kitchen of Cook Hall on either Wednesday, May 16 or Thursday, May 17.

Information about Blue Pomegranate can also be found on the church's website:

www.BlawenburgChurch.org, or on Facebook @BluePomArt

PROCLAMATION—Continued

Run With Rotary 2018

Another beautiful day for a one-mile Ramble or 5K Run with Rotary in Skillman Park on Sunday, April 22nd. Team Blawenburg was made up of approximately 30 participants. Young Ava ran the Ramble in 8:36 and was our blue ribbon winner! Her mom, Lori, was right behind her. The rest of the Ramblers strolled in in 20 minutes or less, while Lori went on to run in the 5K! The Missions Team contributed \$1,000.00 to support the work of Rotary and their special focus this time of the Samaritan’s Homeless Interim Program (SHIP in Somerville) to help purchase a new mobile soup kitchen and disaster response vehicle. SHIP is one of our church’s local missions, too. (Remember the luncheon on May 29th, the fifth Tuesday of the month!) Our Silver Sponsor donation afforded us a table to advertise our church and preschool, a half-page ad in the day’s booklet, and our name listed on the back of the shirts which were distributed to each participant. The BVS staff donated their time in the Kid Corral while the parents rambled and ran.
