Dear Friends at Blawenburg Reformed Church

Thank you for your \$200.00 donation, dated 05/25/2021, to the Bessie Green Community.

The need in Newark continues to grow. By partnering with donors like you, we can continue to serve those struggling with poverty and food insecurity. Your donation will help us continue to serve over 1000 meals each week, feeding those in need.

We will continue our mission, using gifts like yours. We gratefully acknowledge your donation, and hope this spring season finds you healthy and happy.

Sincerely,

Brenda Scott
