Dear Jean:

What a surprise it was to receive this donation! Thank you for the generous donation by check in the amount of \$1,000 to Bentley Community Services. There was no letter in the envelope so I am addressing this to you on behalf of Blawenburg Reformed Church. We certainly appreciate your confidence and support. Your generous donation will help Bentley operations and further our important work.

As you know, Bentley creates access to and provides each week healthy, nutritious foods, facilitating healthy diets for families, individuals and seniors in need, offsetting their grocery and basic needs bills which places them on the fast track to regaining self-sufficiency. Being a volunteer charitable organization with no geographic borders, we are able to provide for and help many families who are struggling daily and paycheck to paycheck. This enables them to save crucial monies that they apply to their bills, expenses and debts. Providing healthy, fresh and nutritious foods for our participant families is a high priority in our distribution efforts. The impact of a full shopping cart with a box underneath filled with high quality food provisions weekly truly benefits the entire family. We could not do what we do without our generous providers and generous donors. We are certainly grateful.

It is an honor and privilege to be of service. We greatly appreciate your confidence, belief and support in the Bentley program. This will also confirm, as required by applicable tax regulations, that you received no goods or services in consideration of your gift.

With gratitude,

Dorothy Stearns-Holmes
