Dear Friends,

Thank you for your generous donation. You answered our call to walk alongside the people of India as they struggle with the overwhelming impact of COVID-19 on their healthcare system, on their economy, and on their lives.

All over the world, countries have faced the global impact of COVID-19. But right now, the scale of loss in India from this pandemic is heartbreaking and unfathomable. As God's faithful you have chosen, through your gift, to extend love to our brothers and sisters in India. You have answered God's call to love thy neighbor. And though the situation is grim, I know you join World Renew in trusting that with God's grace the surging number of COVID cases in India will soon slow; the much-needed medical supplies will arrive, and the people of India will feel God's comfort.

I am confident that you will continue to keep the people of India in your prayers. Thank you so very much for your generous and loving heart. May God bless you and your family always.

With hope for the future,

Carol Bremer-Bennett
