# God Is Love

By Angie Rebert

So we have come to know and to believe the love that God has for us.  
God is love, and whoever abides in love abides in God, and God abides in them.

*Scripture: 1 John 4:16*

Valentine's Day has passed. I was searching for materials to craft valentines with my two little neighborhood girls. I found some valentine prayer poems I wrote to share with the women at Good News Home. After contemplation, I had imagined what God would say to me in a valentine. And then I contemplated what I might write to God. I humbly share these devotional valentines with you.

### **A Valentine from "Abba Father"**

Look around this sacred place at each treasured face  
This family I have given you

Because I love you.

Look beyond and see the treasures of all the Earth  
All this I have given you  
Because I love you.

Look in your heart's core to the people you love  
These I have given you  
Because I love you.

Look upon your life and see your special gifts  
I have given you all you need and even more  
Because I love you.

No matter what you have done,  
No matter what you have NOT done  
I love you.

Look upon My Cross  
This, my dearly Beloved, is my greatest gift to you  
Because I love you.

I loved you before you were earthly born.  
I love you now, just as you are.  
I will love you forever.  
I love you.

## **A Valentine for God**

O Holy, Holy, Holy I Am  
I bow down before you

Gracious generous Provider  
Of all i need and much more  
Thank you. I love you.

O Blessed Holy Comforter  
You ease my pain; You bring me peace.

You might want to linger in His Presence  
Listen... God is calling  
Do you hear his words of Love?  
Listen... Do you hear your heart sending your Love back to Papa God?

I invite you to pray a Valentine to God or write a live message in your journal.

Listen to the beautiful love song: [Father I Adore You](#)

May you be truly blessed in God's abiding presence.
